

Release of medical records to referring physician form

Important note:

- Use this form only if you are the physician that initially referred a patient to see a Medical Specialist at our facility.
- If you are NOT the referring physician, [CLICK HERE](#)
- Allow up to 8 weeks to receive consultation report or any investigations. If it has been less than 8 weeks, do NOT send a consultation report request

SECTION-A: Patient Information			
Last Name:		Date of birth:	
First Name:		Health Card #:	
Name of the Referring Physician:			
Which specialist was the patient referred to?			
Date patient saw the specialist at our facility:			

SECTION-B: Medical Records	
Check all that apply	Type of medical record requested:
<input type="checkbox"/>	Investigation Report(s)
<input type="checkbox"/>	Record of patient visit
<input type="checkbox"/>	Consultation report
<input type="checkbox"/>	All of the above

Processing Time:

1 week or less for investigation report that are currently in our possession.

Please note that investigations done at places outside of our medical building such as hospitals, CT/MRI facility etc., could take up to 4 weeks before we receive the result/investigation report. Once they are in our possession, we will fax them to the referring physician office.

Alternatively, referring physician office can contact the testing facility directly and request them to send the report to their office.

Fax this to Referral Processing Dept.: (905) 897-7780

Or mail it to:
